Career Objective

Motivated finance professional with over three years of experience in auditing, budgeting, and payroll operations within the defence aerospace sector. Skilled in financial record management, audit coordination, and invoice processing. Currently seeking to restart my career in financial planning and policy analysis, leveraging my experience at Hindustan Aeronautics Limited (HAL) to contribute to structured financial and policy initiatives.

Professional Experience

- Data Entry Operator – Finance Department (Contractual)

Hindustan Aeronautics Limited (HAL), Lucknow | 2019 – 2022

- Supported budgeting and audit processes by maintaining and verifying financial records in alignment with company policy and government compliance.
- Assisted in salary processing and payroll management, ensuring accurate calculation of allowances, deductions, and reimbursements.
- Managed invoice tracking and vendor payments, ensuring timely processing and adherence to financial policies.
- Collaborated with the audit team during financial reviews and internal audits to ensure data accuracy and documentation completeness.
- Prepared monthly financial statements and reports for the finance department to support planning and expenditure analysis.
- Maintained confidentiality in handling defence-related financial data and ensured compliance with regulatory and internal guidelines.

Education

Bachelor of Commerce (B.Com) – University of Lucknow

Lucknow, India | 2013

Skills

- Financial Planning & Budgeting
- Payroll & Salary Administration
- Invoice & Vendor Management
- Audit Coordination & Compliance
- MS Office (Excel, Word, PowerPoint)
- Data Accuracy & Documentation

- Policy & Financial Record Management
- Time Management & Confidentiality

Career Break

Career break since 2022 due to maternity. Actively updating financial and policy analysis skills and available for full-time opportunities.

Additional Information

Familiar with defence sector finance processes and documentation (HAL).

Open to remote or on-site roles in financial analysis, policy planning, or audit support.
