

To,
The Director

Subject: Application for the position of Principal

Dear Ma'am/Sir

As a skilled and passionate education professional, I am pleased to submit my resume for your review. With extensive experience in school leadership and a strong commitment to fostering academic excellence, I am confident in my ability to make a meaningful contribution as a **Principal** in your esteemed institution.

In my current role as Principal at Sarv Sanskriti School, I have gained substantial expertise in strategic planning, implementation of result-oriented initiatives, staff professional development, and comprehensive administrative management—alongside my core academic responsibilities.

Previously, I had the privilege of serving at respected institutions including Shirdi Sai Public School, VidyaGyan Leadership Academy, Confluence World School, C.L. Gupta World School and St. Mary's Senior Secondary School. These experiences enabled me to build and sustain strong student-parent relationships, promote a culture of collaboration, and create an engaging and challenging school environment. Additionally, with excellent Board examination outcomes and five years as a **CBSE Head Examiner two times as Centre Superintendent**, I have developed a strong foundation in assessment and curriculum implementation.

My seven years as an Academic Advisor at Shiv Nadar Foundation, coupled with international exposure through exchange programmes in leading schools of Lucknow, have further shaped me into a dynamic, adaptable, and forward-thinking leader.

I am eager to bring this blend of experience, vision, and dedication to your school and uphold the highest standards of learning, discipline, and innovation. I would welcome the opportunity to discuss my qualifications further in an interview.

Thank you for your time and consideration.

Warm regards,
Dr. Teena Singh
