Work Experience

AIESEC July 2016 - Aug 2017
Team Member

- I led the Outgoing Exchange (OGX) department, facilitating international internships for students, fostering cross-cultural exchanges.

Pankaj Bhadouria Culinary Academy April 2017 - May 2020
Counsellor

- "I served as a counsellor, guiding aspiring professionals in the hotel industry and culinary arts, and facilitating their placements in hotels upon course completion."

BYJU'S

Oct 2021 - June 2022

Business Development Associate

- "I served as a Business Development Associate, focusing on revenue generation and promoting UPSC courses to aspirants. Additionally, I provided counseling on UPSC, explaining its workings and examination structure."

City Montessori School

July 2022 - March 2023

Career counsellor

- "I served as a Career Counselor assisting over 1500 students from grades 9 to 12 with career stream selection, college applications, study abroad programs, and exposure to various career fields."

Go global

Oct 2023 - Dec 2023

Chief Counselling Officer

- "I served as the Chief Counseling Officer, specializing in career counseling for students, processing their applications for studying abroad, and promoting education in foreign universities through sessions on the advantages of studying abroad."

I Dream Career

April 2023 - July 2024

Career Counsellor

- "I provided career counselling, offering expert guidance and personalized advice to help students across various schools in India, including government and private institutions. Utilizing tools like psychometric tests and career dashboards, I supported over 5000 students in making informed decisions about their future."

Modern School

Oct 2024 - July 2025

Career Counsellor

- I conducted personalized sessions and workshops to help students make informed academic and career choices, while coordinating with parents, teachers, and professionals for holistic guidance.

Your Dost (Part time)

Oct 2024 - March 2025

Mentor

- As a Mentor at YourDOST with Generation India Foundation, I supported groups of 30–40 underprivileged learners through regular one-on-one sessions, addressing personal and emotional challenges to reduce dropouts and improve training completion.

Institute for Career Studies

August 2025 - Ongoing

Program Coordinator

Internship Experience

Unique Institute of behavioural sciences

Psychology intern

- "I interned at UIBS, where I learned to create case studies of patients with mental disorders, participated in shadow counseling, studied various mental health disorders in psychology, and visited fields such as rehabilitation and old-age hospitals."

Moolchand Hospital, Delhi

Psychology intern

- "I worked with children affected by disorders such as autism and ADHD, focusing on learning and gaining valuable experience in child psychology."

City Montessori School

Mother Teacher

- "I served as a mother teacher, teaching all subjects to first-grade students and learning teaching skills with children."

Indian Mental Health and Research Centre

Psychology intern

- "I interned at the Indian Mental Health and Research Centre, working with patients diagnosed with mental health disorders such as bipolar disorder, schizophrenia, substance abuse disorders, and more."
