Lucknow, Up

Sub: Application for the post of Principal

Respected Sir/Madam,

With due respect I beg to draw your kind attention that I intend to offer myself as a candidate for the post as above .

I enclose herewith my complete bio-data for your kind perusal.

Sir/Madam I am trained , fluent in English, able to correspond independently & Computer savvy with 18 yrs experience of teaching and learner friendly pedagogical approach. I have familiarity of educational curriculum with knowledge of the latest trends in education, students learning styles with assessments.

Being M.A. in Psychology I can understand students' needs, strengths, and challenges that helps to curate the solution according to the students' cognitive capacity. Simultaneously being M.A. in Drawing & Painting I also understand Art plays a vital role in education by fostering creativity, improving cognitive skills, and helping children develop emotionally and socially. So by applying these two together I can improve students overall mental health & educational retention abilities.

I am confident that i will prove myself the right person to complete the responsibilities such as oversee academics, curriculum & student progress, mentor faculty & manage daily operations, foster community relationships & ensure policy compliance & shall strive my best to earn your confidence if your choices fall on me.

Thanking you.

Yours faithfully
