Objective

I believe I could lead your Library to be the vibrant community hub that all academic libraries should be. I am a Knowledgeable, passionate, customer-driven and innovative library administrator with an experience in the academic library setting. Provide the highest quality learning resources and digital information content to enhance the educational experience. Extensive knowledge about materials, research databases, circulation, and other aspects of archiving. Experience working with and supervising staff and supporting library operations. I believe I could lead your Library to be the vibrant community hub that all public libraries should be.

Experience

- Gurukul Montessori school** March 28, 2024 - 31 march 2025
Librarian
 - Managed end-to-end library operations, delivering circulation, reference, and frontline user support for students and faculty.
 - Cataloged and processed 2,000+ print items; streamlined accessioning and labeling to accelerate shelf-readiness.
 - Led preparations for CBSE inspection; successfully completed audit in August 2024 with compliant documentation and processes.
 - Implemented structured overdue reminders and clear circulation policies, reducing late returns by 30%+ and improving turnaround time.
 - Partnered with teachers to align resources to curriculum; curated class-specific reading lists and research pathfinders.
- Central library UoA** 2 jan 2023 - 2 jan 2024
Library professional
 - Supported circulation and reference services; assisted patrons with discovery, holds, and basic research queries.
 - Processed new materials (accessioning, barcoding, labeling) and maintained accurate catalog entries.
 - Helped manage periodicals and past examination papers; organized displays and reading room schedules.
 - Assisted with stock verification and weeding; updated holdings and maintained shelf order.
 - Facilitated student orientations and reading promotion activities with academic departments.
- Shri Ram Swaroop memorial University** 1 april 2025 -
Assistant Librarian
 - Provide reference, circulation, and frontline user support to students, researchers, and faculty across the central library.
 - Serve as Periodicals Section In-Charge; manage newspapers, magazines, previous-year question papers, 200+ print journals, and 10,000+ online journals.
 - Assist in PCI inspections, ensuring organized files, holdings data, and compliance-ready documentation (two inspections).
 - Support e-resources and remote access; troubleshoot access issues and compile usage statistics to inform renewals.
 - Deliver library orientations and information literacy sessions in coordination with academic departments.
 - Conduct periodic stock verification and weeding; reconcile missing items and update holdings records.
 - Standardize notices and reminder workflows to improve on-time returns and policy compliance.
