

CURRICULUM VITAE

Name : Dr. Deepika Delsa Dean

Designation (Present) : Officiating Principal
Isabella Thoburn College (Professional Studies)

Mobile no. : 9889409907

Email address : deepikadean.ddd@gmail.com

Educational Qualification : B.Tech. Biotechnology (Genetic Engineering), M.Tech
Biotechnology, PhD (Life Science), MBA (HR and Marketing)

PhD Thesis title : “FMR1 gene mediated genotype and phenotype variation in
POF and developmental delay patients”

PhD Supervisor : Prof. Sarita Agarwal

Institute of PhD : Sanjay Gandhi Post Graduate Institute of Medical Sciences,
Lucknow.

Post-PhD Research topic : “Plasma exosomal micro RNA and proteome profiling in
autism spectrum disorder children’s: probing for
biomarkers”

Post PhD Research Institute: Sanjay Gandhi Post Graduate Institute of Medical Sciences,
Lucknow.

Experience : 16.5 years of teaching and research experience (2009 - Till date)

OBJECTIVE:

- To make full utilization of skills and abilities I possess in contributing to the goals of the organization.
- To work cohesively with my colleagues and to fulfill all my responsibility with due integrity.

EDUCATIONAL PROFILE:

Course	Board/University	College/School	Percentage/CGPA	Year of Passing
MBA (Correspondence)	Subharti University, Meerut	Subharti University, Meerut	68.1%	2022-2024
Post-PhD (SRF)	Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow	Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow	Completed in September 2021	2019-2021
PhD	Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow	Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow	Awarded on 31 st August 2019	2014-2019
M.Tech Biotechnology	VIT University	Vellore Institute of Technology (V.I.T.)	8.53(CGPA)	2009
B.Tech Biotechnology Genetic Engineering	Allahabad Agricultural Institute-Deemed University (A.A.I.D.U.)	Allahabad Agricultural Institute-Deemed University (A.A.I.D.U.)	8.60 (CGPA)	2007
Intermediate	C.B.S.E.	Bal Vidya Mandir	67.6	2002
X Standard	I.C.S.E.	St. Paul's School	62.3	1999

ACHIVEMENTS AND HONORS:

1. Achieved **All India Rank 13** in Allahabad Agricultural Institute Deemed University **B.Tech. Entrance examination (2003).**
2. Achieved **All India Rank 2** in Vellore Institute of Technology **M.Tech. Entrance examination (2007).**
3. Qualified **Council of Scientific & Industrial Research/ University Grant Commission -National Eligibility Test –Lectureship (June, 2009) Rank-193**
4. Qualified **Council of Scientific & Industrial Research National Eligibility Test – Junior Research Fellow (June, 2013) Rank-48**
5. Qualified **University Grant Commission National Eligibility Test Junior Research Fellow (June, 2014) Rank-56**
6. Awarded with **2nd prize** in international conference on “Genomics in Health and Disease and 40th Annual Conference on Indian Society of Human Genetics” held during 28th to 30th January 2015 at Mumbai, Maharashtra.
7. Awarded with **Best Oral Presentation** in “**43RD National Conference of Association of Clinical Biochemist of India- ACBICON 2016**” (prize money 5000 INR) held during December 2016 at Department of Biochemistry, Kasturba Medical College Mangalore, Manipal.
8. Awarded with **International travel grant by Indian Council of Medical Research** for attending “European Congress on Biotechnology 2018 (ECB 2018)” held at Geneva, Switzerland during 1st-4th July 2018
9. Awarded with **International travel grant by Department of Science and Technology** for attending “4th annual Foundation for Reproductive Medicine Conference on Translational Reproductive Biology and Clinical Reproductive Endocrinology (FRM 2019)” held at New York, USA during 21st-24th November 2019.
10. Awarded with **Young Investigator Award -1st prize winner** in “4th annual Foundation for Reproductive Medicine Conference on Translational Reproductive Biology and Clinical Reproductive Endocrinology (FRM 2019)” held at New York USA (prize money \$2500) during 21st-24th November 2019.
11. Awarded with “**2020 Developing Country Award**” in “**American Society of Human Genetics (ASHG 2020), USA (Covering \$3000 for travel, registration and stay)** (later held on a virtual platform due to COVID Pandemic).

12. **Awarded with “InSc Research Excellence Award 2020” by Institute of Scholars, Bangalore**
13. **Awarded with Women Scientist A , Department of Science and Technology (WOSA - DST) project FILE NO- SR/WOS-A/LS-241/2019 approved (27,80,000 INR)**
14. **Awarded with “Women Research Award” in International Scientist Award on Engineering, Science and Medicine by INSO on occasion of international scientist’s award in 2022**
15. **Invited as a convener in the Board of Studies (BoS) meeting of Dr. APJ Abdul Kalam Technical University Lucknow, to review and finalize the syllabus for B.Tech. Biotechnology – Final Year (B-Series) and B.Tech. Bioinformatics* – Second Year, Third Year, and Final Year (B-Series) (*B.Tech. Bioinformatics syllabus prepared and by Dr. Dean).**
16. **Prepared the syllabus for B.Tech. Bioinformatics. This course was introduced for the first time at the Dr. APJ Abdul Kalam Technical University Lucknow.**

KEY ROLES AS AN ACADEMIC LEADER

1. **Institution Building & Approvals:** Led the establishment of the Engineering & Technology Unit with four B.Tech specializations — Bioinformatics, Computer Science, Computer Science & Information Technology (CSIT), and Artificial Intelligence & Data Science (AIDS) and Expanded academic offerings by obtaining approval for the Bachelor of Business Administration (BBA course), complementing the already established Masters of Business Administration (MBA course) in the Management unit .
2. **Regulatory Coordination:** Successfully managed AICTE and AKTU and State Government approval processes, including preparation and submission of affiliation and compliance forms, securing academic program approvals.
3. **Infrastructure Development:** Directed the planning and development of B.Tech infrastructure, including laboratories, smart classrooms, and internet facility, in compliance with regulatory requirements.
4. **Quality & Rankings:** Serving as Nodal Officer for NIRF, coordinating institutional data submission and initiatives to enhance national ranking performance.
5. **Scholarship Administration:** Acting as Nodal Officer for Samaj Kalyan Scholarship, ensuring effective implementation and student benefit delivery.
6. **Innovation & Entrepreneurship:** Led as Nodal Officer for the Institute Innovation Council (IIC), fostering innovation culture, IIC activities, and industry–academia collaboration.
7. **Career Development:** Closely coordinated with the Training & Placement Officer (TPO) to strengthen industry linkages, enhance student employability, and drive successful placement outcomes.

8. **Academic Leadership:** Provided strategic direction in timetable and annual activity preparation, faculty management, student services, and academic quality assurance, aligning institutional practices with national benchmarks.
9. **Institutional Relations:** Actively engaged with stakeholders, industry leaders, and academic peers to build strong institutional relationships and expand collaborative opportunities.
10. **Student Counselling:** Provided academic and personal counselling to students, supporting their overall development and well-being.
11. **Parent Engagement:** Facilitated constructive communication with parents, addressing concerns, sharing student progress, and fostering a supportive environment for holistic development.
12. **Committee Membership:** Served as a member of various college committees, contributing to institutional planning, governance, and quality initiatives.

EXPERIENCE:

1. Experience of teaching as **lecturer in Department of Biotechnology at Saroj Institute of Technology and Management** taking lectures for B.Tech. Biotechnology (July 2009 to January 2010).
2. Experience of teaching as **lecturer in Department of Biotechnology at Isabella Thoburn College** taking lectures for M.Sc. Biotechnology (February 2010 to June 2014; September 2019 ; September 2021 to August 2024)
3. Played a lead role in **establishment of Engineering and Technology unit with four courses at Isabella Thoburn College (Professional Studies)**
4. Experience of being the **Offg. Principal Isabella Thoburn College (Professional Studies) (September 2024 till date) along with teaching experience (B.Tech. (Bioinformatics) students)**
5. Research experience (**PhD and post PhD**) from **Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow** from September 2014 to August 2019 and October 2019 to September 2021)
6. Administrative experience of being **member of organizing committee of hands on workshop on “DNA Extraction & Gel Electrophoresis.”** Held on 13th Feb 2010 at I.T. College, Lucknow.
7. Administrative experience of being **member of organizing committee of UGC sponsored National Conference on “Bioremediation- a Promising Technology for Clean India”** held

on **24th and 25th March 2012** at I.T. College, Lucknow.

8. Experience of being **demonstrator in “15TH ICMR course on Medical genetics and Genetic counseling”** held at Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow held during **25th July to 6th August 2016**.
9. Experience of being **demonstrator in “16TH ICMR course on Medical genetics and Genetic counseling”** held at Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow held during **24th July to 5th August 2017**.
10. Experience of being **demonstrator in “17TH ICMR course on Medical genetics and Genetic counseling”** held at Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow held during **20th August to 1st September, 2018**.
11. Experience of carrying the role of an **Editor** for the edited book series titled "**Futuristic Trends in Biotechnology Volume 3 Book 21**" eISBN: 978-93-6252-519-2 Under **Iterative International Publishers (IIP) (2023)**
12. Experience of organizing 1 week event on **“AI week” from 13th January 2025 to 18th January 2025**
13. Experience as a **convener** in the one day Workshop on **“ AI -Driven Data visualization: Unlocking insight with Power BI”** dated **18th January 2025** conducted via **Swades** in collaboration with **Isabella Thoburn College (Professional Studies)**

RESEARCHES UNDERTAKEN

1. Completed a project work (9 months) on **“Cloning and Expression of an ORF of Mycobacterial origin in *E.coli*”** at Central Drug Research Institute, Lucknow submitted as **M.Tech Thesis work (2009)**.
2. Completed a project work (6 months) on **“Identification of microsatellite markers in *Labeo dero*”** at National Bureau of Fish Genetic Resource, Lucknow submitted as **B.Tech Thesis work (2007)**.
3. Completed a mini project work (1 month) on **“Active STAT3 production in BALF and NALF cell populations of asthmatic mice”** at Industrial Toxicology Research Centre, Lucknow submitted as **dissertation project (2005)**.
4. Completed Research work (5 years PhD) on **“FMR1 gene mediated genotype and phenotype variation in POF and developmental delay patients”** at Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow

submitted as **PhD Thesis (2014-2019)**.

5. Post PhD Research work (**DST-SERB SRF**) on “**Plasma exosomal micro RNA and proteome profiling in autism spectrum disorder children**”: probing for biomarkers” at **Department of Medical Genetics, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow** as **Senior Research Fellow (Oct 2019- Sep 21)**.

TRAINING UNDERTAKEN:

1. Undergone **industrial training (1 month)** on “**Beer Production**” at **Mohan Goldwater Breweries Ltd., Lucknow (2006)**.
2. Undergone a **training (1 month)** titled “**Studies on Microflora of Rhizospheric Soil of Sugarcane**” at **Indian Institute of Sugarcane Research, Lucknow (2008)**.
3. Completed **hands on learning workshop** on **Computer Aided Drug Designing (CADD)** held during **2nd to 6th Jan 2022**
4. Completed **hands on 5 Day Online Hands-on Workshop in Bioinformatics: Genomics, Transcriptomics & Proteomics** organized by **Biotech Society of Isabella Thoburn College (BSITC)** in collaboration with **Center for Advanced Training and Research** during **19th – 23rd August , 2025**

TECHNICAL SUMMARY:

Molecular Biology

- Conducted Sanger sequencing and fragment analysis
- Experienced in advanced PCR techniques (TP-PCR, QF-PCR, RT-PCR) for molecular diagnosis
- Proficient in cloning, transformation, and basic molecular biology techniques
- Hands-on experience with protein analysis methods including SDS-PAGE and Western Blotting

Immunodiagnostic Techniques

- Knowledge of immuno-electrophoresis and immuno-diffusion methods
- Experienced in ABO blood group testing
- Experience in ELISA for antigen/antibody detection

Microbiology

- Skilled in staining techniques and performing microscopy
- Experienced in maintaining pure cultures

Bioinformatics

- Participated in advanced training on data analysis for Bioinformatics, Genomics, Proteomics,

and NGS datasets

- Familiar with computational approaches for studying biological data

PRESENTATIONS/PARTICIPATION/INVITED SPEAKER/MEMBERSHIPS:

1. Member of the “**Society of Genetics and Plant Breeding and Seed Science and Technology**” for session 2004-2005.
2. **Participated in Model Presentation** competition organized at college level (**AAIDU, Allahabad**) during the session 2005-2006.
3. **Presented a poster** in the “**International Conference on Biotechnology**” at **VIT University, Tamil Nadu** held during February 6th -8th 2008.
4. **Participated in National Lecture Workshop on „Trends in Medical Biotechnology”** conducted by **VIT University, Tamil Nadu** during December 27th -29th 2007.
5. **Participated in National conference on “Indoor Air Quality-A New Challenge to India”** held during 23rd and 24th Feb 2011 at **Isabella Thoburn College, Lucknow**.
6. **Attended a workshop on Web based resource for learning** held by Department of Computer Application, **Isabella Thoburn College, Lucknow** on 1st October 2013.
7. **Attended a National symposium on “Role of plants in environmental protection”** on 12th March 2011 at **Isabella Thoburn College, Lucknow**.

8. Participated in 1st Endocrine tumor Summit **organized by Department of Endocrinology and Endocrine surgery, SGPGIMS, Lucknow** on 30th August 2014.
9. Participated in Hands on workshop in Molecular Biological Techniques “**SGPGI URO MEET THE KIDNEY**” **organised by Department of Urology and Renal Transplant, SGPGIMS, Lucknow** on 26th to 28th December 2014.
10. Participated in an international conference on “**Genomics in Health and Disease and 40Th Annual Conference on Indian Society of Human Genetics**” held during 28th to 30th January 2015 at Mumbai, Maharashtra
11. **Presented Poster** in a work shop on “**DNA Diagnostics**” on 4th and 5th February 2015 held at **PGIMER, Chandigarh**.
12. Participated in “**61st Annual Conference of Physiologists & Pharmacologists of India APPICON 2015**” held at **AIIMS, Jodhpur** from 26th to 28th November, 2015 (**Invited Speaker**).
13. Participated in Awareness workshop on **ICD10** organized by **Central Bureau of Health Intelligence, Ministry of Health and Family Welfare, Govt. of India** in association with **SGPGIMS, Lucknow**, on 16th September, 2016
14. Presented poster in the “**First UAEU Symposium on Biological Sciences “Genomics & Bioinformatics Symposium”** Department of Biology & Khalifa Center for Genetic Engineering and Biotechnology, UAEU, **Alain, Dubai**, 13th to 15th November 2016.
15. Presented a poster in **58th Annual Conference of the Indian Society of Haematology & Blood Transfusion (ISHBT) – Haematocon – 2017** held at Guwahati, Assam during November 02nd to 05th 2017.
16. Presented a paper orally in “**66th National conference of the Neurological Society of India (NSICON- 2017)**” held at **Nagpur**, during 30th November 3rd December, 2017.
17. **Associate Member** for 3 years (2018-2020) in the **Neurological Society of India**.
18. Participated in CME and workshop **Molecular HPV Testing** organized by **Department of Molecular Medicine and Biotechnology MHRD- CoE on Biomedical Sciences and Modern Biology, SGPGIMS, Lucknow** on 10th February ,2018.
19. Presented a poster in **International Conference on Biotechnology and**

Environmental Sciences (ASFEW) held at New Delhi during 18th -20th March 2018.

20. **Participated CME in worlds TB Day 2018 organised by Department of Microbiology and Department of Pulmonary Medicine, SGPGIMS, Lucknow on 22nd March ,2018.**
21. **Presented a poster in “European Congress on Biotechnology 2018” held at Geneva, Switzerland during 1st to 4th July, 2018.**
22. **Presented a poster in “4th annual Foundation for Reproductive Medicine Conference on Translational Reproductive Biology and Clinical Reproductive Endocrinology (FRM 2019)” held at New York, USA during 21st-24th November 2019.**
23. **Presented a poster in “American Society of Human Genetics (ASHG 2020)” on a virtual platform during 27th -30th October 2020.**
24. **Member of the “American Society of Human Genetics” for session 2019-2021**
25. **Attended online webinar on "Basics to Advanced data analysis for Bioinformatics, Genomics, Proteomics, and NGS datasets" by Nextgenhelper dated January 23, 24, and 30, 2021 .**
26. **Participated in a conference on “ Applied chemistry: exploring futuristic application for sustainable development held during 26th to 28th October 2021 organized by Department of Chemistry , I.T. College, Lucknow**
27. **Attended a Webinar on The Bioinformatics: Future in Research held on 14th Dec 2021 Department of Biotechnology , I.T. College, Lucknow in collaboration with Avastham.**
28. **Lifetime Member of Institute of Scholars, Bangalore**
29. **Participated in Hands on learning workshop on “Computer aided drug designing” organized by Department of Biotechnology , I.T. College, Lucknow in collaboration with Avastham , Kanpur on 2nd to 6th January 2022.**
30. **Presented a poster on “Epigenetic Changes in maternal MTHFR can play role in development of Down syndrome with Congenital Heart Defects” in the 10th International Conference on Geriatric Cardiology, Cardiovascular Diseases and Palliative Care held on November 23, 2023 held in Budapest, Hungary (Online Webinar)**

31. Participated in a **Hands-on Workshop on “Food Adulteration Analysis”** on **26th November ‘2022**.
32. Participated in an **Online Workshop on “Recent Advanced Techniques in Computational Biology (Bioinformatics)”** on **12-16th December ‘2022**. **Department of Biotechnology , I.T. College, Lucknow** in collaboration with **Avastham**
33. Participated in a **Hands on Workshop on Molecular Biology** on **10th February ‘2023** . **Department of Biotechnology , I.T. College, Lucknow**.
34. Participated in a national seminar **“Women In Financial Domain: Opportunities And Challenges”** organized by **Isabella Thoburn College (Professional Studies)**, held on **27th March 2023**
35. Participated in the **10th International Association of Methodist-related Schools, Colleges, and Universities (IAMSCU) Conference “Transforming Lives”** during **25th April to 1st May (London, Bristol, Cambridge)** in **United Kingdom**.
36. Participated in **5th One Week Online Workshop on Biostatistical Data Analysis and Research Methodology** from **21-27, September, 2024** (**Science Tech Institute , Lucknow**)
37. Participated in **National Workshop on Statistical Data Analysis Using Spss** from **21 to 27 January 2025**
38. Completed **International Faculty Development Program “Ethical Issues in Research Writing”** **11-16 September, 2024**
39. Presented Paper on the topic **“Green Synthesised Silver Nanoparticles Utilising Vegetable Waste Extracts: A Sustainable and AI-Driven Approach”** in the **International Conference on Advance Artificial Intelligence in Multidisciplinary Research (ICAIR-25)** during **March 10-12, 2025**. (credit hours is 14.75.)
40. **Participated in National Conference on “Sustainable Diets and Biofortification: promising strategies to combat hidden hunger” (SDB 2025) on 8th November 2025** organized by **Department of Home Science** in collaboration with **Department of Biotechnology , Isabella Thoburn College**.
41. Completed 3hrs **Advance Excel Workshop** organised by **Ira Edu tech** (ISO certified and MSME registered company) **25th January 2026**.
42. Attended the webinar on **‘Molecular Modelling & Artificial Intelligence Next-Gen Drug Discovery Tools’**, organized collaboratively by **Springwell Pharma Pvt. Ltd.** and **Ananddeep Foundation**." held on **27th January 2026**
43. Completed **AI Pragyan – Faculty Development Program on Generative AI , organized by SmartBridge** in collaboration with **IBM SkillsBuild** held during **19TH January to 9th February 2026**.
