

# Himanshi Gupta

**Email:** himanshiguptab13@gmail.com

**Phone:** 7355651727

**Address:** H-1/12 Sector D, LDA colony, Kanpur Road, Lucknow.

**Mobile:** 7355651727

## Education:

**(B.Sc., University, Year):** B.Sc. (Geology), Banasthali University (Rajasthan), 2013-2016.

**(M.Sc., University, Year):** M.Sc. (Geology), Nagpur University (Maharashtra), 2017-2019.

**(PhDs, Title, University, Year):** PhD: Hydro-geochemistry and Stable Isotopic Studies of Kabini River (Cauvery Basin), India, Cochin University of Science and Technology (CUSAT). **(Thesis Submitted)**

**Area of Specialization & Interest:** Hydro-geochemical and stable isotopic studies (soil, sediments, river and groundwater).

## Skills:

M.S Office, Arc GIS, Excel, Power point, CorelDRAW, SPSS software.

## Professional Careers: -

2021-2023: Junior Research Fellow, DST-Inspire

November 2023-2025: Senior Research Fellow, DST-Inspire.

## Honors/Awards/Fellowships/Recognitions:

1. B.Sc. (Geology): Gold medalist.
2. M.Sc. (Geology): Gold medalist.
3. DST-INSPIRE Fellowship
4. Best paper award: *International conference on waste recycling and environmental technology (WRET-2024)*. Babasaheb Bhimrao Ambedkar University. Lucknow. 8-9th February.

## Publications:

1. Gupta, H., B Hazarika, R Yenkie, M Jaunjalkar, S Verma, D.B. Malpe. (2020). Morphometric analysis of PGW-1 watershed of Ghatanji area, Yavatmal district Maharashtra. *J. of Geosciences Research, Gondwana Geological Society*.
2. Gupta, H., Krishnakumar A, Krishnan K.A. (2023). Principal Component Analysis to Assess the Heavy Metal Enrichment in the Urban Soils of Kabini Basin: Emerging Concerns. *J. of Geosciences Research, Gondwana Geological Society*, 8(2). 6. Gupta, H., Krishnakumar, Agrawal, S., Krishnan, KA. Maurya, A.S., Kumar, N. (2026). Oxygen hydrogen isotopes elucidating seasonal mechanism along Kabini Interstate River Basin, Western Ghats, India. *J. Total Environment Advances*, Elsevier, (Under Review).

#### **Book/ Monographs /Chapter-s/Edited Volumes:**

- ✚ Gupta, H., Krishnakumar, A, Krishnan, KA. (2024). A Comparative Water Potential Assessment in Kerala and Karnataka States: Hydro-chemical and Statistical study of Kabini Interstate River. Modern River Sci for Watershed Management, published in Springer Nature Switzerland. [https://doi.org/10.1007/978-3-031-54704-1\\_17](https://doi.org/10.1007/978-3-031-54704-1_17).

#### **Conferences/Seminars/Symposia**

1. International Conference on Computational Environmental Earth Sciences (CEES-2022).  
Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. Qualitative assessment, corrosive behavior and scaling potential characterization of groundwater resources in Kabini basin, India. 29-30<sup>th</sup> April, 2022. P. 409-414.
2. International Conference on Water and Environmental Management (ICWEM-2022).  
Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. Hydro-chemical Facies and Multivariate Statistical Characterization of Surface Water Quality in Kabini River Basin, India. 22-24<sup>th</sup> June, 2022, P. 11-14.
3. Current Trends in Earth System Sciences (CTESS-2023).  
Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. Comprehensive assessment of soils near Kabini River. 19-21<sup>st</sup> January 2023.
4. National Seminar on Landscape Ecology Approach for Sustainable Management of Natural and Bioresources.  
Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. The effects of Land use pattern on the Surface Water Quality of Kabini River basin, Kerala-Karnataka States, India. 9-10<sup>th</sup> February, 2023.
5. International conference on environmental pollution and health: Governance for sustainable future, (ICEGSF- 2023).

Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. Estimation of pollution indices from the surface sediments of Kabini Interstate River, Southwestern Ghats, India. 22-24<sup>th</sup> November, 2023.

6. International conference on waste recycling and environmental technology (*WRET-2024*).

Authors: Gupta, H., Krishnakumar, A., Krishnan, K.A. Water quality and sediment contamination assessment of Kabini River, Southeastern Western Ghats, India using statistical approach. 8-9<sup>th</sup> February, 2024.

*Professional Training:*

- ❖ High-end workshop on advanced instrumentation techniques in isotopic and chemical analysis of environmental matrices, SERB (KARYASHALA), DST, GOI Sponsored. September 11 to 23, 2023.  
Organized by: *Centre for Water Resources Development and Management, Kozhikode, Kerala.*
