PROFESSIONAL SUMMARY

I am an enthusiastic Maths Teacher with over 5.5 years of experience in teaching mathematics to students of Grade VI to VIII . For this financial year 2025-26 Grade allotted is Grade VII TO X . I have a passion for working with young people and helping them to understand the world of mathematics. My biggest achievement is helping prepare students for success in their exams, increasing their overall under-standing and grades in mathematics I am highly organized ,with excellent problem solving skills, and a great ability to explain complex mathematical concepts in simple terms. I have a good understanding of new teaching methods, and I'm constantly looking for ways to make learning more interesting and engaging for my students.

I believe that every student has the potential to excel in mathematics, and I strive to help them reach their goals. My enthusiasm and dedication to teaching have helped many students succeed in their academic careers.
