OBJECTIVE

As a highly experienced TGT Teacher with over 3 years of teaching experience, I have a proven track record of providing quality education to students. My biggest achievement in this role has been consistently improving the academic performance of my students and receiving recognition from school management for my efforts. I possess excellent communication and interpersonal skills, which allow me to effectively connect with students and create a positive learning environment. My strong subject knowledge and ability to adapt teaching methods according to individual student needs have been key in my success as a teacher.
